

## AEGEAN SAILING SCHOOL - HOTEL & TAXI LIST

We have prepared this list to help you with your travel. Most of the hotels listed are small and relatively inexpensive. There are also major hotels in Athens and at the airport that you will find easily with an online search.

During the summer please do not leave it until the last minute to book weekend accommodation as hotels are very busy then. Note that some hotels may not take single night bookings in the middle of summer.
