

HOW TO FIND OUR OFFICE ON AEGINA ISLAND

Our office is in Aegina Town, the main port of Aegina. The address is 8 Martyros Leontiou Street. To find our office from your ferry or hydrofoil turn right onto the main street that runs along the harbour. Walk right along the harbour front towards the big church.

Martyros Leontiou Street is directly behind the big church and runs perpendicular to the seafront. There is a road that runs next to the little park by the church. If you walk up this road and turn right, we are the second street on the left. There's a small sign with our name on a post at the bottom of the street. Turn up this street. A short distance along is a tiny square with an arch over the road. Our office is the building under the arch to the left. The map above should help you to find us - follow the red line!

If you are arriving for a course, you will meet your instructor at the office. Sailing courses start at 17:30 pm and theory courses at 09:30 am, but the office is open before then if you want to leave your bags, or buy sailing gloves or books.

When you are in Piraeus you can SMS us at +30 6950 394786 and let us know which ferry or hydrofoil you are on so that we know when to expect you. Our office is normally open from 15:30 on Sundays and 09:00 - 17:00 on weekdays.

Our office telephone number is +30 22970 25852 and you can also call this number during normal office working hours. It's useful for us to have your mobile number and travel details so that we can contact you if necessary. Please let us know these if possible.

If your flight is delayed, please contact us on +30 6950 394786
